

To Whom It May Concern

I am writing this letter to give my highest recommendation for Timothy Alexander as a possible candidate for a position. I initially got to know Timothy in a professional capacity as a co-worker in the technology department for Richmond County Schools. We began working together in August 2021.

Timothy is a professional that exudes expertise in technology systems, curriculum, and support for all technology programs. Timothy has remarkable technical skills and works closely with the instructional technology team. He is always willing to help others with technology needs and he has a positive attitude. When Timothy asked me if I would recommend him for a possible career advancement, I immediately agreed.

In summary, Timothy is clearly one of the best co-workers I have had the pleasure to work with. It is my opinion that he will be an outstanding asset to any staff.

Please feel free to call me at (910)-334-9996 for any further information that you may need regarding Timothy's work ethic or dedication to grow.

Sincerely,

Tara Pierce

Instructional Technology Facilitator, Richmond County Schools
